

## KIAWAH ISLAND RECREATION AND CHILDREN'S PROGRAMS

The Kiawah Island Resort recreation program is one of the finest of its kind in the country, with a wide variety of activities for every age.

Kiawah Island Resort is unique in offering programs for children as young as 3 to 5. Parents may enjoy time to them-

selves and take comfort in knowing their children are in the care of trained counselors. The kids enjoy activities such as shelling, sandcastle building, scavenger hunts and nature walks - it's the perfect way to learn about the wonders of a beach environment.

Children age 6 to 8 and 9 to 11 can participate in a number of supervised activities including crabbing expeditions, "tie-dyeing", dinosaur adventure days, a Pirate Adventure Night and the Kids' Nature Club.

Any parent with teens knows that they are often the hardest to please. Kiawah has found a successful blend of teen favorites - sports, music and food. Basketball and volleyball tournaments are popular at Night Heron Park, followed by hamburger/hot dog cookouts. And how about capping off the week with a teen dance mix? They're the kinds of activities that get a "thumbs up" from teens and a "seal of approval" from parents. But why should the kids have all the fun? Kiawah Island Resort's recreation programs also include adult activities. After golf, tennis, or a day on the beach, how about a guided wildlife watch

and canoeing trip at sunset? Or perhaps a moonlight beach walk with a staff biologist to learn about the shore's nocturnal creatures. There are also weekly Sea Island Excursions that include shelling on remote Botany Island and sailing a schooner across Charleston harbor.

The recreation program at Kiawah Island Resort is planned down to the last detail to help make your memories last forever.

## FAMILY ENTERTAINMENT

If you've been trying to decide where to take your family vacation this year, there's no better place than Kiawah Island. During the summer, there are featured family activities every day of the week. The fun ranges from Beach Music Parties and cookouts in the park to the popular "dive-in" movies. That's right! The entire family can watch an action-packed movie on a warm Carolina night from the comfort of a cool outdoor pool.

An oyster roast and barbecue with bluegrass music, bingo and trivia games by the pool, ice cream socials, crab cracks and fish fries on the sail deck are all part of the weekly schedule during the summer.

These activities are specifically designed to bring the family closer together, providing unique and unforgettable island entertainment for each family member.

## KIAWAH ISLAND DINING

Kiawah Island Resort knows that an important part of any vacation is the quality and selection of dining available. Here you'll find four superb restaurants operated by the resort, all of which offer a unique dining experience.

### THE JASMINE PORCH

Comfortable and casual, The Jasmine Porch restaurant is located within the Kiawah Island Inn, offering diners a scenic view of live oaks and the Atlantic Ocean. When asked to describe the style of cuisine served at The Jasmine Porch, Chef Danny Maples, a

Lowcountry native, is quick to point out the strong regional influence. After all, Charleston and the South Carolina Lowcountry are famous for fresh seafood, locally grown vegetables, herbs and spices.

### THE SUNDANCER BAR & GRILL

Near the Inn's pools on the beach, The Sundancer Bar & Grill adds to the festive oceanside atmosphere popular among beachcombers and sunbathers. The menu includes burgers, salads, snacks and sandwiches. Live acoustical music and a raw bar with fresh oysters, shrimp and clams is featured on selected nights. The lounge area is an open-air cabana which overlooks the Atlantic Ocean and offers fantastic views of the spectacular Kiawah sunset.

### THE INDIGO HOUSE

Located at Town Center in East Beach Village, The Indigo House restaurant offers an alternative to the regional fare served on the island. Upscale yet casual, this "Island Bistro" presents an Italian-based cuisine with strong Mediterranean, Caribbean, and the new Floridian influences, accented

by seafood and ingredients indigenous to the Lowcountry area.

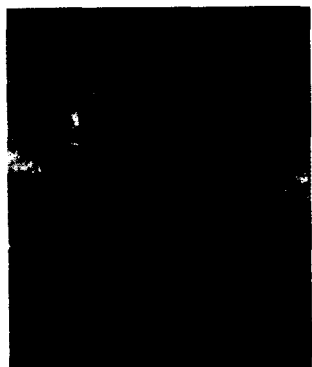

## THE OCEAN COURSE RESTAURANT

Open for breakfast and lunch daily, this casual restaurant offers a breathtaking view of the Atlantic. Eggs and breakfast specialties are served in the morning, and for lunch there are soups, salads, pasta, and sandwiches.

The dining experience at Kiawah Island Resort isn't just limited to restaurant settings. Theme dinners and cookouts are offered seasonally throughout the year. Favorites include the Lowcountry Oyster Roast & Barbecue at Mingo Point, the Family Cookout at Night Heron Park, and the Carolina Crab Crack & Fish Fry.
